

MANUFACTURER OF STORE FIXTURES AND DISPLAYS SINCE 1925

SteamButler ST500

Professional Garment Steamer

- **Perfect for for the home or retail environment.**
- Latest model in a long line of SteamButler™ Steamers.
- 3.5 Liters of water for hours of continuous use.
- 1350 watts of power! Strong enough to quickly and efficiently remove wrinkles from most fabrics.
- Perfect for both commercial and home use. Steam is a great alternative to breaking out the iron and ironing board.

SteamButler ST500- Features

- Water container holds 3.5 liters, enough for hours of continuous use.
- Eliminates ironing by removing wrinkles on the hanger.
- Automatic shut-off safety feature.
- Power indicator light.
- Easy-Roll casters make unit portable.
- Stores upright in a small space.
- Hose hangs on its own hook.
- Steamer handle includes snap-on brush.
- If an EXTENSION CORD is necessary, use a 20 Ampere Cord for 110V/ 120V appliances. Cords rated for less amperage may overheat.

3.5 liter water container is removable for easy filling & cleaning.

Lighted power switch with auto shut-off safety feature.

Matte Black & Chrome finish.

All brass heating elements.

6 foot braided hose doesn't feel hot to the touch. Removable brush.

Uniquely integrated steamer holder & garment hanger.
